

## POST SCRIPT

GREHA wishes to act as a platform for promoting dialogue between students and teachers of architecture who are looking for alternative viable methods of architectural education. We invite students and teachers of all educational institutes to bring to our forum their ideas regarding our endeavour.

"Greha" is a non-profit organisation registered with the Registrar of Societies, Government of India. It started as an informal forum for discussion of issues affecting the architectural community in the early 1980's and was formally registered on 12<sup>th</sup> May, 1986.

The main objectives of the society are:

1. To establish and run Schools/Colleges to impart Architectural education.
2. To establish and maintain centres for research in the field of Design, Architecture, Environmental Planning and Technology.
3. To set up libraries or museums and collect books, publications, literatures, models, designs, drawings and other information.
4. To print and publish Books, Journals, Paper and such other material to help disseminate knowledge and impart education.
5. To organise and conduct conferences, seminars, lectures, tours, demonstrations, exhibitions and other programmes to impart knowledge.
6. To cooperate and collaborate with other similar institutions, whose activities fall within the objects of the Society.

The founder members of the Society are B.B. Chaudhri, Sheba Chhachhi, M.N. Ashish Ganju, A. Katakam, A.B. Lall, A.G.K. Menon and K.L. Nadir.

The Society has taken initiatives in the areas of Design Education, Conservation, and Urban Planning. It was also responsible for setting up the TVB School of Habitat Studies, New Delhi in 1990. Members of GREHA formed the core faculty with M.N. Ashish Ganju as the founding Director. The Society has been revitalised in 1998 with the inclusion of several new members.

## ACKNOWLEDGEMENTS

The Symposium was the result of the coordinated efforts of various individuals and institutions who are concerned about the education being imparted to students of architecture and it's effects on the future of architecture in India.

Shri V. Suresh , CMD HUDCO, enthusiastically supported the symposium and sponsored the national experts who came from different parts of the country.

Smt. Sushma Bahl, Manager Arts & Culture of the british Council, sponsored the travel of Paul Simpson from the Mackintosh School of Architecture, Glasgow.

Shri. Himachal Som, DG ICCR, ensured gracious hospitality for Paul Simpson's stay in India.

The Department for International Development of the British Government, on the initiative of HSMI, made possible the travel of Nicholas Weaver from the University of East London. DTUDP also co-sponsored the symposium.

Dr. Kulwant Singh, ED HSMI of HUDCO, was the untiring driving force and who hosted the symposium in the HSMI premises with logistical support provided by his team led by Gayatri Rajesh.

The GREHA team comprised of M.N Ashish Ganju, Jogi Panghaal, Taniya Amiraj, Mansi Jasuja, Rohit Gulati, Vidya Tikku, Seema Aggarwal, and several other members who participated in the discussions which led to the formulation of the problem statement.
